

I am delighted to share the Schools inspection report with you this week. We are thrilled with the findings of what was a very thorough inspection process. I would like to thank you all for completing questionnaires and participating fully in the inspection process. Your comments were used to formulate questions and to inform inspection areas. Thank you to all the staff who answered questions, produced lesson plans, accompanied learning walks, discussed curriculum, behaviour, support, safeguarding and progress. Thank you to the students who put up with inspectors invading their classes and asking questions, thank you to students for sitting on panels, showing your work and eating lunch with inspectors. Thank you to all the admin staff who provided oodles of documents, ran errands and kept us all sane; to the catering staff for keeping everyone fed and functioning, the maintenance staff who had to produce a forest of health and safety documentation and last but not least thank you to the leadership team who shouldered the lions share of in-depth questioning and who will be happy not to hear the words 'prove it' for a while! The report will follow shortly under separate cover.

Another damp and muddy week at Forest School but still lots of fun. Amelia made a fabulous paracord keyring! Such good skills. Alex helped save some frogspawn after the frogs laid their eggs in the wrong place! Avery had the muddiest but most fun time ever. Forest School is such fun even in the rain!

Kiki thoroughly enjoying some down time on the hammock

Despite the rain, Mrs Summers cheered everyone up with her Birthday hat!

Zak is an excellent gymnast and was testing his skills on the hammock this week!!
